

CLASSROOM RULES

Be in your assigned seat on time.
Bring all books and materials to class every day.
Listen to instructions the first time they are given.
Do not use vulgar or offensive language.
Keep hands, feet, and objects to yourself.
Keep the class and lab clean.
No eating, drinking, or chewing gum at school.

LABORATORY GUIDELINES

Follow written and verbal instructions carefully. Ask questions if you need clarification.
Conduct yourself in a responsible manner at all times in the science room.
Put backpack neatly away and keep the floors clear.
Do not touch equipment, supplies, or animals without permission from the teacher.
Keep hands away from face, eyes, and mouth.
Wear safety goggles when instructed.
Handle glassware and equipment with both hands.
Report all accidents and spills to your teacher IMMEDIATELY.
Return all lab supplies clean, dry, and ready to be reused.
Keep all counters tops and desks clean and dry.
Take an active role in your lab experiment.
Contribute to your group as a responsible learner.
