Salt

Water

flower power

Love

Cells are found in plants, animals, yeast,  
and things that were once alive,  
but not in objects that were NEVER  
alive.

Eggs	#1	#2	#3
Day1 Size	7"	7.2"	6.9"
Day1 apperance			
Day2 Size			
Day 2 apperance			
Day3 size			
Day10 Size			
Day10 Apper			

My hypothesis is that after soaking in vinegar for two days the egg will \_\_\_\_\_.
