

Dear \_\_\_\_\_,

Write your thesis in one sentence. First supporting reason in a sentence. Second supporting reason in a sentence. Third supporting reason in a sentence. Acknowledge the other opinions.

First supporting reason in a sentence. An example the supports the reason. A story that supports the reason. Another example that supports the reason.

Second supporting reason in a sentence. An example the supports the reason. A story that supports the reason. Another example that supports the reason.

Third supporting reason in a sentence. An example the supports the reason. A story that supports the reason. Another example that supports the reason.

On the other hand Acknowledge the opposing opinion(s). An example for the opposing argument (s). Another example for the opposing argument(s). A third example for the opposing argument(s).

Write your thesis sentence again in a slightly

different way. Describe your first supporting reason again in a slightly different way. Describe your second supporting reason again in a slightly different way. Describe your third supporting reason again in a slightly different way. State your opinion!
